

# Mentoring questionnaire

1. When you hear the word “mentor”, what comes to your mind?
2. Using your descriptions above, what exactly is a mentor?
3. Why do you think there is a need for mentors? (Also, what has gotten our society to this point?)
4. Where did the term “mentor” originate?
5. How do you become a mentor?
6. What are the responsibilities of a mentor?
7. What type of young person would be your “ideal” mentee?
